

SCCAA 2011 GOLF OUTING SETS RECORDS!

We exceeded our goal, and after all Birdies for Charity pledges are paid will have raised almost \$11,400! *To help us *exceed* our fundraising goal, please consider completing and returning the (linked here) **[Birdies for Charity form by September 1, 2011](http://www.scciowa.edu/userup/alumni/2011GolfOuting/2011pledgeformrevfor2012.pdf)**. [Or click on: <http://www.scciowa.edu/userup/alumni/2011GolfOuting/2011pledgeformrevfor2012.pdf>.] Birdies for Charity is a painless pledge that is **payable NEXT JULY 2012!!** You can pledge *now* 1 cent or more per birdie to be made at the July 2012 John Deere Classic. For reference, over the past 9 years the highest number of birdies made was 2,124 in 2005, the least was 1,400 in 2010, and the average is 1,857. You would receive an invoice for somewhere around \$18. Our annual event is set for the 3rd Friday in July, while the JDC is always the second full week in July. Since the JDC event is always a week before our event, our pledgers have a *full year* to be invoiced and another two months after that to pay! AND, if you correctly guess the actual number of birdies made, your name will be entered in a drawing for a NEW car and over 100 other great prizes! 100% OF THE MONEY PAID GOES TO THE SCCAA!! Feel free to forward this to other prospective Birdies pledgers. And, THANK YOU for considering our request!!

This event is our major annual fundraising effort. With 2011 Golf Outing proceeds we awarded scholarships to 2011 SCC alumni Zachary Benedict of Keokuk and Jessica Donahue of Fort Madison to continue their educations. We also purchased plaques to honor the 2011 Distinguished Alumni Richard Canella and Mary Sue Chatfield. **Because of our volunteers, golfers, donors, and sponsors, this event truly makes a difference.**
