Spring 2011	1,801	610	82	68	1,117	439	20	0	0	21	4,158

* Duplicated Headcount reflects students' practice of course-taking at multiple locations and delivery modes.

** Fast Forward is an option for students to complete a semester course in four weeks through a combination of classroom meetings and online work (i.e., hybrid). Beginning Fall 2009, headcount in Fast Forward classes was incorporated into the locations at which they were offered.

Attendance by Location by Semester, Credit Hours
